Christmas Gift Guidelines

SPAN will provide you with the family's identification number, and the specific information about the children in the family, such as first names, ages, sizes and special requests. As a sponsor, you will purchase gifts for the children in the family, wrap and individually tag the gifts, and box them with the family's identification number prominently displayed. Please bring the gifts to SPAN on the Christmas drop-off date, **Sunday December 10th 2:00pm-5:00pm**.

Children ages 12 and under: We suggest \$50 for each child. We recommend clothing, book, game and/or small toy.

Teens: We recommend \$50 in the form of gift cards. Please place each gift card in a gift-wrapped box.

If you have an abundance of donations please consider sponsoring another family or donating funds to be used for last minute items.
